

DEPARTMENT OF  
MANAGEMENT & MARKETING  
HUMAN RESOURCES

YOUR  
*Moment*  
IS HERE

## Your Future

Human resources involves the recruitment, selection, maintenance and development of human resources by organizations. It includes such diverse areas as interviewing, training, compensation and benefits, health and safety, and labor relations.

### Career Opportunities

- Recruiting Managers
- Benefit Specialists
- Placement Managers
- Labor Relations Supervisors
- Development Specialists
- Safety Specialists

### Why Study Human Resources?

Human resources is an area of business with continued job growth. A vast number of jobs cannot be automated, therefore, a demand for human resources professionals always exists. An HR professional will experience something different every day, and a career in human resources may include guiding others in their career, helping the people around you develop professional skills and gaining satisfaction from solving problems.
